

TO: USMS Records & Tabulation Committee
USMS LMSC Top Ten Recorders

Date: July 13, 2022

Enclosed is the preliminary 2021-2022 Top Ten for Short Course Yards. Please compare this carefully to what you sent me, especially if I had questions for you, and send all corrections to me by Aug. 1.

Also, **please help** check for any bad times, duplicate names, relay-team duplicates, misspellings or any other errors. There are several NVs (Not Verified - times that are faster than the official record). Some of the NVs may be errors, and if so PLEASE let me know. If valid, please encourage the meet director to get the documentation sent in to me. The deadline for these records is the end of August.

Note there are some meets included that have not sent in their pool measurements / bulkhead confirmations and/or Observer Reports yet. Those meets will be removed by the final publication if not received by July 30.

The preliminary Top Ten will be published on the web at our Top Ten web site. You can reach it by going to www.usms.org and going to the bottom of the page, under Pool and Open Water Events and clicking "Top 10". We would like as many people as possible to get involved in the proofreading. So, tell your friends.

A big THANK YOU to all the LMSC Top Ten Recorders for all the excellent work they did to make this possible. Special HUGE THANKS to Mary Sweat, who helped compile this course.

If you are no longer the Top Ten Recorder for your LMSC, please send me updated information (name, phone number, email).

The best way to send corrections is by email to:
